BASE PROGRAM:

virtual urgent care & pharmacy

revive
the virtual care clinic

Revive offers virtual urgent care and pharmacy services to enhance the benefits packages of your middle-market and large-group clients.

Revive's virtual urgent care and pharmacy services are available at a competitive $13 PEPM rate. Early partners have reported up to a 2:1 ROI in the first year, with 40–50% utilization driven by 24/7 virtual consultations, free medications, and convenient home delivery—making care more accessible and reducing overall health spend.

Virtual Urgent Care

- **24/7 Access Nationwide:** Members can consult with providers at any time, from anywhere in the U.S.
- **Fast Response:** Most consultations occur within minutes, resolving urgent health concerns swiftly.
- **No Out-of-Pocket Costs for Non-HDHP Members:** Members on standard health plans enjoy seamless cost-free access to urgent care with no claims or copays required.

Pharmacy

- **Free Medications:** Our formulary includes over 1,000 maintenance medications and 70+ urgent medications. For members on a high deductible health plan, we offer over 500 no-cost preventative medications.
- **Home Delivery:** Members receive their prescriptions conveniently at home through regular monthly deliveries at no cost, eliminating the need to visit a pharmacy.
- **Pharmacy Discount Card:** For medications not included in our formulary, our discount card ensures members still have access to affordable pricing.
