If you have any questions, please contact the Fund's Administrator at 1-888-999-7718.

IMPORTANT NOTICE ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the Plan and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. The Fund has determined that the prescription drug coverage offered by the Fund is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join another Medicare drug plan, this Fund's group health plan coverage may be affected.

If you do decide to join another Medicare drug plan and drop this Fund's group health plan coverage, be aware that you and your dependents will not be able to get this coverage back until the plan's next open enrollment period.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the Fund and do not join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month

that you did not have that coverage. For example, if you go nineteen months without creditable coverage,
your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information about This Notice or Your Current Prescription Drug Coverage…

Contact the person listed below for further information. NOTE: You will get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the Fund changes. You also may request a copy of this notice at any time.

For More Information about Your Options under Medicare Prescription Drug Coverage…

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You will get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

Remember: **Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998

On October 21, 1998, the federal government enacted the Women's Health and Cancer Rights Act. This law requires that all group health plans that provide coverage for mastectomies must also provide coverage from breast reconstruction surgery in connection with that mastectomy. This notice is intended to provide participants and beneficiaries with notice of their rights under the Women's Health and Cancer Rights Act.

Participants and beneficiaries who receive benefits under this Fund's group health plan in connection with a mastectomy and elect breast reconstruction surgery in connection with that mastectomy are entitled to coverage for that reconstruction in a manner determined in consultations with the attending physician and the patient. Such coverage includes;

- Reconstruction of the breast on which mastectomy has been performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses: and physical complications for all stages of a mastectomy, including Lymphedemas (swelling associated with the removal of lymph nodes).

These benefits may be subject to annual deductibles and coinsurance provisions that are appropriate and consistent with other benefits under your plan or coverage.

If you would like more information on WHCRA benefits, contact the Fund Office at 230 Lexington Green Circle, Suite 400, Lexington, KY 40503, 1-888-999-7741.

HIPAA NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

If you are declining enrollment because you and/or your dependents are covered under a Medicaid plan or state Child Health Plan (CHIP) and that coverage is terminated due to a loss of eligibility, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within **60 days** after your or your dependents' coverage ends under Medicaid or a state children's health insurance program and meet certain other important conditions described in the Summary Plan Description.

If you and/or your dependents are determined to be eligible under a state's Medicaid plan or state Child Health Plan (CHIP) for premium subsidy assistance, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days of the determination of eligibility for premium subsidy assistance for you or your dependents and meet certain other important conditions as described in the respective Summary Plan Description.

To request special enrollment or obtain more information, contact the Fund Office at 230 Lexington Green Circle, Suite 400, Lexington, KY 40503, 1-888-999-7741.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit **www.healthcare.gov**.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at **www.askebsa.dol.gov** or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2026. Contact your State for more information on eligibility –
